

amazon com customer reviews nas illmatic 33 1 3 series - yo first off if you aren t hip to the hip hop 33 1 3 releases it s time to get with the program this is the second hip hop book i have read in the 33 1 3 series the first being beastie boys paul s boutique and i must say this is a must read for any nas fan, **nas illmatic vinyl amazon com music** - i used to be a hater of rap i didn t understand why people liked it at all and had a snobby resistance to anything hip hop thankfully one night i decided i would give it a shot and i looked up a list of the most influential rap albums of all time picking at random and was fortunate enough to try nas illmatic first
